The paper is printed in beautiful type and has received the praise of whiters of taste, as withe handsomest family newspaper in the Union." Our efforts have been directed to the combining of beauty and simplicity with utility and taste. The Post is printed on stoot white paper, rendering it neat and durable for filing. It is issued at the old established rate of two dollars per annum CASH, Or THREE BOLLARS in not paid in advance, and may be truly said, now that it is enlarged, to be the

LARGEST PAPER IN THE COUNTRY at the price it is sold. It has all the merits, and none of the defects of the large papers of the day, for while the earliest literary matter may be found in its columns, a judicious com-pilation of demestic and foreign news, with the usual variety of wit and sentiment, will render it a better family paper. The proprietors make no flourish of trumpets about the size and cheapness of the paper, or the firmbasis apon which the "Old Post" stands. It is not necessary. It has borne the battle and the breeze for the fast Twesty one Years, and has faced and buried all kinds of opponents.

THE MODE OF CONDUCTING IT. The proprietors having for a long time deprecated the floods of foreign literature, indiscriminately re-jublished in this cour-try, have determined, without altogether neglecting this field, to select nothing but the choicest tales and sketches, from the English periodicals; and they have made arrangements by which they can furnish these to their subscribers in advance of every cotemporary. The editors will also keep an eye to the best American tales affoat, giving, niways, the preference to the writers of their own country. We shall still continue the plan of giving original stories from popular American writers The well known Author of "Cruizing in the last War," opened the volume with the first of a new senies of thrillie, mani-cal tales. In addition to the old, a number of new Contributors will enrich its columns with choice and entertaining original articles. In order that the SATURDAY EVENING POST may maintain its high position, as the

FIRST FAMILY NEWSPAPER in the United States; errangements have been made for a feg ular suppyly of choice and entertaining ORIGINAL TALES,

historical sketches, poetry, &c. We have been publishing for months part an unbroken series of choice original stories which have been primared at great cost, and have been widely copied and read. These we shall continue. THE NEWS DEPARTMENT.

The great principle of "PLRGING" in sickness is

beginning to be appreciated. It is found much more convenient to take an occasional dese of half a dezen pills and be always wel than to send and be ble d, blistered and salivated with the certainty that if you are not killed, you will be sure to have months of miserable weakness, and the only one who is benefitted is your Doctor. Look at the difference between the appearance of those two persons-one has been treated by your regular practitioners—ree how pale and debuttated he is, see how the shadow of death throws his solitary glance from his emsciated countenace, see how he trembies in every limb; ,hi eyes sunk, his teeth destroyed-his constitution perhaps irrevocably gone -yet, just hear how the Doctor arrogates to himself credit. He says 'most invetarrogates to himself credit. He says most inveterate case of liver complaint"—"nothing but the most energetic remedies saved, him.' Energetic measures! i. e. Mercury and Bleeding, ruined his consutution, Better say. So to save life you must half poison with that comforter of the teeth and gums—MERCURY—positive make a man miserable the said remainder. of his existence, this is called curing Shocking folly!

Let us now look at your 'purged man' -the man who has taken Brandreth's Pills for Liver Complaint -he has the firm clastic, tread of conscious strength his countenance is clear and serene, his eye is full and sparkling with the feeling of new life and animation; he has been confined a few days to his bed, but he used nothing but the true Brandreth Pills, and soon rose without any injury being sustained by his constitution. Instead of being months in a weak state he will be stronger, after he has entirely recovered the attack, because his blood and fluids have become purified, and having purged away the old and impure fluids, the solids are thereby renovated, and he is not borne down by useless particles, but has renewed his life and body

This principle of purging with Brandreth's Pills, removes nothing but the useless and decayed partices from the body,-morbid and corrupt humors of the blood; and those humors which cause disease-they impede the function, of the liver when they settle upon that organ, and which, when they settle upon the muscles produce rheumatism, or, upon the nerves, produce gout: or upon the langs, produce consumption, or upon the intestines, costiveness, or upon lining of the blood vessels, a apoplexy and paralysis, and all the train of disorders so melancholy to the suffere and all who behold hem.

Yes, purging these humors from the body is the true cure for all these complaints, and every other form of disease; this is no mere assertion, it is a demonstrable truth; and each day it is a demonstable truth, and each day it is extending itself, far and wide it is becoming known, and more and more appreciated. CAUTION .-- Dr. B. Brandreth never appoints Druggists, Pedlars, Doctors or Apothecarys, as his legents, therefore if you want to be sure to have THE RE-AL BRANDRETHS PILLS, never purchase at Drug
